Hausdoerfer Frank, AFIAP, MPSA, GPU VIP2, Germany

Frank Hausdörfer was born in East Germany in 1966. The western part was only 1 km away and was inaccessible until 1989. This "impotence" caused a wanderlust, which became the driving force for many trips. His work is characterized by seeing things that others do not pay attention to. The skilful use of depth of field and the play with light and shadow enable the photo artist to take very special snapshots, some of them "tell stories". The German does not see himself as a hobby or professional photographer, but rather as a photo artist, since he has never learned this profession. After the reunion of Germany, he has worked as a freelance journalist reporting sports and local news. Because of shutting down most of the daily newspapers, he studied social pedagogy. In 2006 he started focusing on model photography in his spare time. The Thuringian is known worldwide for his spectacular landscape photos - especially from South America. Hausdörfer was able to convince jurors from 34 countries with 100 different pictures. He has won over 700 awards, including more than 250 medals, in the past five years. In the last time he has also been a member of the jury in over 30 circuits. For example, the "Image of the Year" 2018 at PSA or the "ASIA SUPER CIRCUIT" 2019 organized by the APU, where 3 to 4 thousand images are submitted each month. In addition to the MPSA and EFIAP, Hausdörfer was able to achieve the Distinction GPU CR4, C *** MOL, and R-ISF 10, which very few photographers in the world achieved.

Milosevic Zoran, EFIAP, MF FSS, Serbia

Born in 1957 in Cacak, Zoran Milosevic has participated in 482 national and international exhibitions where he received 152 awards. He had 11 solo exhibitions. Zoran has worked in the Historical Archive in Cacak since 1984. He is a founder and curator of "Salon fotografije", a photography gallery in Cacak since 1993 and a member of Photo Club Cacak. He was awarded the title of the highest artistic order MFFSS - Master of Photography of Photo Association Serbia, as well as the international title AFIAP (Artist FIAP)

Strkov Kiril, F1 FSM, North Macedonia

Kiril Shtrkov, born on 29.11.1958 in Skopje, Macedonia. Lives and works at Skopje, enthusiast photographer for several years. Member of the oldest active photograph club in Macedonia PC ELEMA, and secretary of Photo association of Macedonia.

FIAP BLUE BADGE

Willis Jennifer, AFIAP, QPSA
 Northern Ireland

Born in Belfast, Northern Ireland, wife, mother of three boys and amateur photographer, Jennifer has long used a camera and has had a decent eye for a photograph. Taking an interest photographing her boys playing sport and a holiday to photograph white horses in the Camargue eventually encouraged her away from Auto Mode and towards a better understanding of how to capture a good image.

November 2018 things really took a leap forward thanks to joining Northern Ireland's top camera club "Catchlight" where she has been surrounded by more experienced photographers who not only inspire but are willing to share their knowledge. Here there is always someone to mentor, encourage and guide and it is this, more than anything else, that Jennifer credits for her improvement and recent photographic achievements.

Much of Jennifer's camera time is spent photographing top level school rugby and images are provided freely to pupils, parents and school. She also delights in portraiture, both candid and studio, a genre now open to her thanks to being an active member of her camera club.

January 2019 she began entering both British and International salons and has to date achieved in the region of 600 acceptances from 100 titles with over 60 awards. Currently Jennifer holds the distinctions QPSA, BPE2*, LRPS, and has been approved for AFIAP from 1/06/2020.
