FIAP BLUE BADGE

Jensen Roland, EFIAP/g
Denmark

My name is Roland Jensen. I am 69 years old and I live in Silkeborg in the middle of Jutland in Denmark. I've always had a huge interest for nature with hunting and fishing, therefore my preferred images are Nature. I have my own small studio, which has contributed to my wide repertoire. I'm a co-founder of 'Photo cCub Dania Silkeborg', a small group with 14 members only and the focus is mainly on competitions and photo judgements. My participation in competitions started in 2011 with the main purpose to test the quality of my photos, now I'm participating in competitions worldwide. To this date I have achieved to become Regional Champion x 2, Danish Champion x 3, Nordic Champion x 2. I have achieved 6514 acceptances, 262 medals and 393 HM. The FIAP blue badge from this competition is my 11th.
