FIAP BLUE BADGE

Gutteridge Andy, EFIAP/p
 England

It is with great honour that I write a few simple notes about myself and my photographic journey since being awarded the FIAP Blue badge for best author in the Salon 'CACAK'- 2021. I was born in 1960 in Central England and after college I trained as an Electronics Engineer. It was during my time in Design Engineering that my interest in photography was born. My first camera was Polaroid, then onto Ricoh in the 1980's but now I shoot exclusively with Nikon equipment. I have successfully taken part in numerous International Exhibitions, all over the world, resulting in my EFIAP/p accreditation being acknowledged by FIAP. In the UK, I have also supported the British Photographic Exhibitions Circuit for several years, and I have achieved the Fellowship accreditation (FBPE) the highest honour possible on the British Exhibition circuit. Locally, I am the founder and Chairman of the 'Photographic Imaging Co-operative' (PICO) a group of highly motivated photographers who themselves are working towards various FIAP, SA and other accreditations. The group (PICO) also facilitates exhibitions of their members Photographic works in the UK. My interests in photography are widespread but I have specific interests in Sport and Action photography and studio-based portraiture. My thanks go to the organisers of this Salon, and of course, to the selectors for their efforts and commitment to provide opportunities to exhibit our works. To continue with the Salon, during these very difficult times of the Pandemic, is a magnificent achievement.
