FIAP BLUE BADGE

GABRIELS Sara
Belgium

I bought my first DSLR in 2016 and immediately enrolled in an entry level photography course. The start of an amazing adventure. By the end of 2017 I decided to try my luck in the international photography competitions. I wanted to find out if I had a place in the amateur photography world.

Today I am the proud owner of the MPSA/2 and the EFIAP title and many - national as well as international - titles, medals, awards and trophies and several Blue Badges.

One of the highlights this year was winning the title "Champion of Belgium" in my own country. This recognition means a lot to me and would not have been possible without the support of my sons and a close friend. So I'm very grateful to them.

My first love is night photography. However today I equally finds pleasure in portrait photography, street photography and macro as well. I am driven and doesn't rest once I set my mind to it. I operate from the heart. My images don't need further explanation. Every image must connect with me before being published. Without this 'seal of approval' the image holds no value for me and doesn't get to see 'the light of day'.

I challenge myself every day and are firm believer that things can always be better. This commitment to perfection keeps me focused and dedicated.
