### Hausdörfer Frank, EFIAP, GMPSA, GPU VIP2, Germany

Frank Hausdörfer was born in East Germany in 1966. The western part was only 1 km away and was inaccessible until 1989. This "impotence" caused a wanderlust, which became the driving force for many trips. His work is characterized by seeing things that others do not pay attention to. The skilful use of depth of field and the play with light and shadow enable the photo artist to take very special snapshots, some of them "tell stories". The German does not see himself as a hobby or professional photographer, but rather as a photo artist, since he has never learned this profession. After the reunion of Germany, he has worked as a freelance journalist reporting sports and local news. Because of shutting down most of the daily newspapers, he studied social pedagogy. In 2006 he started focusing on model photography in his spare time. The Thuringian is known worldwide for his spectacular landscape photos - especially from South America. Hausdörfer was able to convince jurors from 34 countries with 100 different pictures. He has won over 700 awards, including more than 250 medals, in the past five years. In the last time he has also been a member of the jury in over 30 circuits. For example, the "Image of the Year" 2018 at PSA or the "ASIA SUPER CIRCUIT" 2019 organized by the APU, where 3 to 4 thousand images are submitted each month. In addition to the MPSA and EFIAP, Hausdörfer was able to achieve the Distinction GPU CR4, C \*\*\* MOL, and R-ISF 10, which very few photographers in the world achieved.

### Prole Dragan, EFIAP/d2, Bosnia and Herzegovina

He has been engaged in creative photography since 1991. He participated in 540 collective exhibitions in the country and abroad and won over 380 prizes and honorable mentions. So far, he has also had 19 individual exhibitions in the country and abroad. He presented his work on each continent. He has been the most successful author in the Association for the Art Photography in Bosnia for five years in a row. He is one of the founders of the largest photography exhibition in Bosnia and Herzegovina - BANJA LUKA SALON. He holds a title Master of Photography and is carrying out the duties of a FIAP Liaison Officer for Bosnia and Herzegovina. He is the Chairman of the Art Council of AUF BiH. As a lecturer and the instructor of photography, he participated in organization of 60 courses of photography and couple of creative workshops. He is a Coordinator and a mentor at the International youth photography projects (Young Photographers of the World for the year 2013 and 2018). The National Academy of Photography from Calcutta - India has awarded him Hon.FPI honorary title for contributing and promotion photography in the world. At The International Federation of Art Photography, he is a holder of a title EFIAP platinum. He is a member of the University photo cinema club in Banja Luka.
