**GABOR Ovidiu, EFIAP, PPSA, Romania**

Ovidiu Bogdan George GABOR, born on June 30, 1963 - I am an engineer by profession. Currently I work in the insurance field. I had a passion for photography since childhood. In 2014, I became member of the Nufărul Photographic Club in Oradea, and a year later, I was accepted as a member of the Association of Photographic Artists from Romania. Starting with 2016, I intensify my participation in the International Exhibitions of artistic photography, and starting with 2017, the first prizes also appear. He also participates in photography workshops, along with creative trips in the country and abroad.

As a result of the results obtained by participating in photography salons, I obtained the following distinctions:

1. - Excellency E.AAFR (Association of Photographic Artists from Romania);
2. - the AFIAP (Artist of the FIAP - Federation Internationale de l'Art Photographique) awards in 2018 and the EFIAP (FIAP Excellence); in the year 2019;
3. - in 2022 I subscribed and obtained the PSA (Photo Society of America) distinctions: QPSA and PPSA.

I am interested in all fields of artistic photography (landscapes, studio photography, macro photography, astrophotography, etc.) but in recent years I have obtained the most outstanding results with portrait photography and travel photography. Another field that I have approached in the last 5 years and that has brought me both satisfaction and exhibitions is that of documentary photography. I would mention here the two photographic monographs "Istro-Romanians" and "Wallachians from Moravia" - monographs made together with colleagues from the "Ethno Photo Art" Photographic Association.
