**Retter Silvana, EFIAP, PPSA, GPU VIP2, Germany**

Silvana Retter is an Romanian/German National & International Award winning photographer and Jury, living in Germany. Educated in Journalism, she begun her career as a news reader at a local TV station, in Romania.

She discovered her passion for photography back in 2006, when she bought her first Canon camera. Many of her pictures speak about the feelings and moods she felt during her trips over the last few years, also about the emotions of people she met and photographed.

Being an intuitive and spontaneous person, she like to convey warm feelings.

"I'd like for people to understand photography and its fine art – the mood, the emotion, the delicateness of a particular moment, the lighting, and the photographer's decision on how to frame it, to capture its essence."

"I don't shoot what it looks like, I shoot what it feels like."

**Kascelan Milorad, EFIAP/S, Bosnia and Herzegovina**

Milorad Kaščelan was born on 15 November, 1962 in Kotor.

He has been engaged in photography since 1984, when he became a member of the Photo Club Student from Podgorica.

In 1987, he became a member of the University Photo Cinema Club from Banja Luka and that was when he began his exhibition activities. So far, he has exhibited his works at over 780 group photo exhibitions and won 190 awards and honorable mentions.

In addition to this, he was a member of the jury at more than 75 photo exhibitions.

As a teacher and an instructor of photography, he was one of the lecturers at over 50 photography courses and more creative photo workshops.
