FIAP BLUE BADGE

Atle Sveen, EFIAP/s
Norway

Atle Sveen, age 39 from Norway.

My photography is my main hobby since I started to photograph in 2000, when I had a part-time job as a journalist for the local newspaper. At night I work at a local mill producing feed for domestic animals. Although I take pictures of many things and in many themes, «nature» has always been a big part of my photography. The last few years I have also invested a lot of time in «artistic nude».

My competitive side made me try international salons some years ago, and to this day I find it very exciting. I recently bought a drone and hope to explore a different view and be creative with it.

My best picture is not yet taken, so the chase is always there.
