FIAP BLUE BADGE

HIU WAN YEUNG
Hong Kong

I am a Hong Kong photographer. I got the top in PID Monochrome "Who's Who in Photography 2016". Then, Excellence FIAP (EFIAP) was also got later. In 2006, I suddenly and energetically fell in love with photography. In the past 12 years, I have been to over 30 countries. While taking photos, I hope everything which moved me could be frozen in images. And, the underlying stories could be told through the pictures. My life in photography will go on. I'll keep learning in photography. I wish I would be able to use what I knew to record more stories through the lenses.
